

Teachers Visit for Free!

Teachers will have an opportunity to see first-hand what's offered to school groups during **Teacher Appreciation Day on Saturday, January 19, 2013**. Educators must provide a current teacher ID or pay stub at the Aquarium's ticketing center to visit the Aquarium and IMAX 3D Theater at no cost. This offer is good for one teacher and one guest. Additional guest tickets may be purchased that day at these rates:

- Children (up to 12th grade): \$6.50 Aquarium; \$10.50 Aquarium + IMAX Combo
- Additional Adults: \$22.50 Aquarium; \$28.50 Aquarium + IMAX Combo

Throughout the day, our education staff will be available to show teachers how the Tennessee Aquarium and IMAX Theater can serve as an extension to the classroom.

We are the only U.S. aquarium certified as a supplementary education school by SACS/AdvancEd.
